## The Celebrate Vision

*Celebrate is a Holiday Conference for all the family, organised by a team from Catholic Charismatic Renewal, and open to Christians from every part of the Body of Christ,*

### **Celebrate seeks to:**

- Provide an atmosphere of friendship and close fellowship, thereby promoting a real sense of community for formation and mission.
- Celebrate the Liturgy in the best possible way for the people present.
- Offer the best available teaching, based on the Scriptures and the teaching documents of the Catholic Church.
- Include among those invited as speakers, men/women from Protestants, Pentecostal and Non-Denominational charismatic churches/fellowships, so that we benefit from their gifts/experience, thereby promoting unity among Christians.
- Hold to the central truths of the Catholic faith without emphasising those devotions which are a matter of personal choice.
- Provide spiritually for children, teenagers and young adults in streams or groups according to age or academic year.
- Show our young people in particular that it 's exciting, fun and challenging to be a Christian today.
- Encourage on-going contact and friendship among those who come to Celebrate events.
- Give everyone the freedom to be fully charismatic, while remaining sensitive to those not coming from this faith experience.
- Always offer Baptism in the Holy Spirit & Life in the Spirit Seminars.
- Use mime, drama and the visual arts to emphasise the Gospel message.
- Encourage creative activities - drama, mime, art, music.
- Invite everyone to participate in lively praise and worship, and include the exercise of all the gifts of the Holy Spirit.
- Offer personal prayer by trained prayer teams.
- Use money raised in the Celebrate Offering to sponsor individuals, communities, groups and special ministries in training and development.
- Promote an awareness of social, moral, ethical and justice issues, and provide funds from the Offering for Christian work in disaster areas.
- Support financially and practically Christian organisations which share a similar vision, and work for renewal in the church.
